HER EROTIC POINTS

HAIR

Black and heavy hair. It shines when she's out in the sun. I wonder what kind of shampoo she's using. I'm sure it smells good.

Ichinomiya Misumi. A simple girl with glasses.

Nishina Tadatora. High school freshman. He admires Ichinomiya-san's sensuality from the desk next to her.

LIPS

She has habit of putting things in her mouth. Her lips are soft and fleshy. When she opens them a little, her white teeth are visible.

BREASTS

talk

They are huge and it's difficult to notice since she bends her back, but it's obvious when she leans her chest on the desk. They look soft...I'm certain that they really are.

LONG SOCKS

An unknown area. Her skirt is neither short nor long. Ahh~, I want to know what's below!

SECRET?

SHE LIKES ME?

Did you cheat on the draw to sit next to me?

She received messages from an unknown person.

SUMMARY

I (Nishina Tadatora) am sitting next to Ichinomiya-san, who is sensual. Even though there was a change of seats, make sure you sit down. Perhaps...?!
